

## PRELUDE IMPROVISATION FORMULA

### Improvisation Goal Setting Form

Download this form, save it on your computer, print it out, fill out the necessary fields and keep it in place where you normally practice improvisation. By filling out the fields in this form, you will start thinking of what do you want to achieve as an improviser. This form will also give you a clear path, a vision and help you to stay on track with your goals for the beginning, intermediate, and advanced stages in prelude improvisation.

### Improvisation Information:

What is the style of your improvisations?

---

---

Why are you really starting to improvise?

---

---
